MEET THE TEAM.

We'd love to meet with you, and to share more about the Stratford Gardens development and community. Our friendly lifestyle consultant is available in-person, via telephone and online. Together we'll discuss more about the most important aspects of the Stratford Gardens home designs, range of community amenities. We can also let you know about any upcoming on-site events, and opportunities to visit the development.

SECURE THE PROPERTY LOCATION

Once you're ready to confirm a location in the Stratford Gardens community for your new home, please make an appointment with our team, and we will be able to lock in the location and home design that you're wishing to secure. At this point we ask that

you pay a fully refundable holding deposit of \$1,500 to reserve the property location.

SIGNING THE CONTRACT.

At this point, we'll share and talk through the contract, and answer any of your questions. It is recommended that your conveyancer &/or lawyer also review the contract prior to signing. Once you are ready and happy to sign the contract, a further \$1,500 is payable. If you are needing any support with selling your current home, our team can help you through the selling process.

CUSTOMISING YOUR HOME.

This is the exciting moment where we'll work together to finalise the interior finishings of your home. Our team will share with you all the available floor plan and customisation options.

PRE-SETTLEMENT.

It's nearly time to move in! Your new house will be almost ready, and the Stratford Gardens team will arrange a walk through of the property giving you the

chance to carefully check that everything is to the agreed specifications, plus to confirm a date to move in. If needed, we are able to supply you with the names of respected removalist companies, you may wish to use.

FINAL SETTLEMENT.

The day you've been longing for has arrived. You will need to pay the final settlement on the property, and therefore, take full ownership of your beautiful new home and lifestyle at Stratford Gardens. At any time during these important final moments of settling and moving, our team is available to support you with answering any questions that you may have. We want this process to be as smooth as possible for you.
